**RE: Transmittal of the Revised 1998 Update on Mining Activities  
Conducted Under DOGM Permit Number M/035/002**

Dear Ms. Wright:

Attached is the revised 1998 Update on Mining Activities Conducted Under Division of Oil, Gas and Mining (DOGM) Permit Number M/035/002. The first draft of this report was submitted on April 30, 1998. Kennecott Utah Copper Corporation (KUCC) received review comments back from DOGM on July 17, 1998. This version of the document includes acreage estimates from the aerial photographs that were flown on July 1 and August 5, 1998, and incorporates edits in response to DOGM comments on the first draft of the document.

The recent exchange of correspondence has raised some concerns that I would like to discuss with you. Please contact me at 252-3257 or 569-7499, so we can arrange a lunch meeting to discuss.

Sincerely,

  
Paula H. Doughty  
Manager, Environmental Compliance
